ODE AGAINST CONGESTION PRICING TAX BY KEEP NYC CONGESTION TAX FREE (AND CHAT GPT)

With great regret, we must confess,
A plan for pricing in the city we address.
Congestion tolls with hefty fee,
For New Yorkers, it's simply not fair to be.
This plan would cause financial stress,
And burden those who can least afford success.
It is not a solution for our city's plight,
But rather an added burden, day and night.
Our streets and bridges need improvement, no doubt,
But this fee will simply drive folks about.
The consequences for those in need,
Will be a burden, indeed.
We urge our leaders to find a better way,
To solve the city's problems, night and day.
Congestion pricing must not come to pass,
It's time to find solutions that truly last.

Keep NYC Congestion Tax Free, a diverse coalition of civic, business, and labor organizations and businesses throughout New York City, argues that implementing a tax on vehicles traveling south of 60th Street in Manhattan will, among other things, permanently damage efforts to revitalize the two districts.
